

# DVR+

TV Antenna DVR

16GB

Watch subscription free HDTV from local over-the-air broadcast channels via an antenna on the world's slimmest DVR. Designed to fit the needs of both modern and traditional TV households, the sleek and streamlined DVR+ offers an energy-efficient, low-cost solution with Internet connectivity and no monthly fees.

## Features

- + Watch broadcast programs in uncompressed HD — the highest quality available
- + Supports SD and HD video resolutions up to 1080i and 1080p<sup>1</sup>
- + Works with all digital TV antennas for instant access to programming<sup>2</sup>
- + Supports external hard drives (EHD)<sup>3</sup> for full DVR capability
- + Easily search for shows with name-based recording
- + Dual tuners - record one program while watching another, or record two programs at the same time<sup>3</sup> (using EHD)
- + Records and plays back live HD TV up to 2 hours out of the box<sup>4</sup>
- + Easy installation with on-screen setup wizard
- + See what's on now or later with the user-friendly Electronic Program Guide (EPG)<sup>5</sup>
- + Internet capability allows for automatic software updates, EPG data over the web, and access to future online Internet services
- + Get Wi-Fi connectivity with optional Wi-Fi USB adapter
- + Supports Dolby® Digital Plus surround sound
- + Integrates Internet TV services (e.g., VUDU) into EPG
- + Ultra-low power consumption
