Upper, Center and Bottom Setup keys: to open and navigate through the Setup menus, sub-menus and options to personalize your settings. The upper and bottom Setup key are also used as Game Control key.

DC-IN (power): connected to the AC/DC power adapter that came with PocketDISH

Video: record video only from a TV. For recording audio, also connect the analog AV-cable to the AV in connector

AV out: send the audio and video from the PocketDISH to a TV

AV in: record audio and video from a TV or audio device onto the PocketDISH

Charge the Battery

⚠ Your PocketDISH has a rechargeable Li Ion battery. The Li Ion battery is a high capacity power source. Do not use another battery charger or AC/DC adapter. For your safety, charge the Li Ion battery only with the AC/DC adapter that came with the PocketDISH. Failing to do so can cause permanent damage to equipment and can result in serious personal injury.
