FOR IMMEDIATE RELEASE
November 28, 2011

RESULTS OF WION'S 3RD ANNUAL "COUNTY-WIDE FOOD DRIVE (2011)"

IONIA, MI, NOVEMBER 28, 2011: Three Days on the road across Ionia County in WION's "Food-V," donations from what are termed "Mini Drives" and more "on the road" donations than in previous yearly drives combined for a very successful WION food drive 2011.

On Monday, November 28th known as "distribution day, the recipient agencies including: Crossroads Church food pantry, Epic-A community Church, Muir Christian food pantry, Portland First Congregational pantry, West Berlin Wesleyan food pantry, and Zion Community food pantry gathered to assist each other and with their own volunteers, pick up the collected food! Two additional recipients were added due to the great public response: Shiloh Community Church and the Saranac Community Church food pantry.

This year's Drive totaled 8,060 pounds of food, some of which was bought by volunteer shoppers with money donated to the "Food Drive." A huge amount of support was given to the drive by elementary and middle-school age students in the area, and local business' donations.

Recipient organizations find "distribution day" to be exciting, as organizations come together to share resources and fellowship. Pictures and more information are online at WION'S website at www.i1430.com, IoniaHost.com, and at WION's new online forum at satelliteguys.us/wion. Thanks to all the local businesses and organizations that worked together to make this possible. The (food)drive is a huge success due to your community involvement!
