

My DVR Expander™ USB Edition™

Record More TV Shows
Easy to set-up
Cooler, Quieter, Eco-friendlier

Record More, Delete Less – Never Miss Your Favorite Show.

- **Compatible** – My DVR Expander USB Edition has been verified compatible with DISH Network's ViP Series HD DVRs.
- **Easy to set up, easy to use** – Just plug it in to your DISH Network® ViP Series HD DVR and start recording even more TV shows, sporting events, and movies. Instantly add space for up to 60 hours of high-definition or 300 hours of standard-definition TV.* (Requires port activation. Fees may apply.)
- **Cooler, quieter, and eco-friendlier** – A low power-consuming hard drive and no-fan passive cooling system reduces energy consumption by 30% and makes this drive quiet enough for use in living rooms and bedrooms.

*Not intended to be a portable storage device. The total program hours that can be stored depends upon the format and data rate of the programming source, operating environment and other factors. Your results may vary.
