DearValued Customer.

In your next bill statement, you will see a price adjustment reflected on your Time Warner Cable statement. We want you to know the reasons for the change.

The new prices are the result of higher programming costs, the development of innovative new features, and continued investment in our infrastructure and network.

Please see the price information grid below for more detail. We appreciate your business and continually strive to provide you with new, advanced technology that is simple, easy and enjoyable to use.
