NOTE: Eastern refers to the US east of 109° west longitude.
Western refers to the US west of 109° west longitude.

SPECIFICATION

- Dimension (MM) 140 X 320 X 82
- Input Voltage 115V AC 60Hz 250W max.
- Output Voltage ± 36 VDC

Warranty

The SRD-4000 is manufactured by Echosphere Corporation. To receive the benefits of this one year limited warranty you must fill out and return the enclosed warranty registration card within 15 days of the purchase date.

This warranty extends only to the original purchaser of this SRD-4000 and is limited to the purchase price of this unit. All claims under this warranty must be accompanied by proof of purchase documenting original sales price and date of purchase.

In no event shall the manufacturer be held liable for any incidental or consequential damage resulting from the use of the SRD-4000. The manufacturer reserves the right to refuse to extend this warranty if any of the above exceptions are determined to have caused the SRD-4000 not to have performed properly. Replacement parts supplied under this warranty are warranted only for the remaining portion of the original warranty period.

The SRD-4000 must be properly packed and returned to Echosphere Corporation or its authorized service center. Cost of removal transportation to and from the service center and reinstallation of the SRD-4000 will be paid by the purchaser.

A flat fee of \$42.50 will be assessed the purchaser by Echosphere Corporation if the returned merchandise is deemed by Echosphere Corporation to be in proper operating condition.

This warranty gives you specific legal rights which may vary from state to state. Some states do not allow the exclusion or limitation of incidental or consequential damages, or allow limitations on how long an implied warranty lasts, so the above limitation may not apply to you.
