As an authorized Dish Network Dealer we are proud to bring this great, affordable Dish Network promotion to our customers. This promotion would ensure the best possible value for your money. Our new promotional plan is devised to help you save not up to or approximately 50% **but exactly 50% of your Bill**. This offer is valid for only existing accounts that were installed through our company during January 2010 to February 2012. You have to maintain a qualifying programming package for up to at least 12 Months i.e. any programming plan above \$25. Our plan is simple; we pay your Dish Network bill upfront for either 12 Months at once or 24 Months. Once you have checked your Dish Network account either online or by calling our customer service, that your bill has been paid up for the approved period, you are then requested to pay only 50% of the total payment we made on your Account. Here is an example how this works:-

For instance, your regular monthly bill is \$100.

If we pay your bill for 12 months it comes down to \$1200.

We pay the \$1200 required to clear your bill with Dish Network for one year that is 12 months at once, and in reply you only pay 50% of it that is \$600. Hence you save exactly \$600 straight up. Yes indeed too good to be true.

For more details call our representative today. This promotion is only valid till August 31st, 2012.

This promotion is not applicable for customers in Alaska and Hawaii.
