Old paint. Solvents. Batteries. Computer monitors. These are some of the household hazardous waste and electronic waste items you can bring to a Roundup for recycling. It's a great opportunity to clean out your garage and clean up the environment. Our free drive-thru, drop-off events are a quick, convenient, and common-sense way to dispose of materials too toxic to trash, pour down a sink, or dump in a storm drain.

## No Business Waste Accepted

Brought to you by the County of Los Angeles and presented by Los Angeles County Public Works and Los Angeles County Sanitation Districts in cooperation with the cities of Carson, Compton, Downey, Gardena, Long Beach, Lynwood, Paramount, and South Gate.
