Re: VOOM HD Holdings LLC v. EchoStar Satellite L.L.C.
Index No. 600292/08

Dear Justice Lowe:

We represent Plaintiff VOOM HD Holdings LLC ("VOOM HD"). We respectfully submit this letter, together with Defendant EchoStar Satellite L.L.C. ("EchoStar"), to address the scheduled trial date of September 18, 2012. When the date was set, the parties did not realize that the trial was set to commence on the Jewish High Holiday of Rosh Hashanah. Accordingly, we respectfully request a one day adjournment of trial, to September 19, 2012, to accommodate the final day of Rosh Hashanah.

The parties further respectfully request that Your Honor suspend trial on September 26, for one day, in observance of Yom Kippur.

We thank the Court for its kind consideration of this request.

Respectfully submitted,

Orin Snyder
